

REUSABLE TEXTILES
TRSA CERTIFIED

Join Our Clean Green Movement!

Prudential Overall Supply is committed to the Clean Green Movement. We want to try to improve and do what's right in the long-term for the environment, our customers, our employees and the communities that we operate within. Prudential's Clean Green initiative provides a green solution compared to home wash and disposable products.

Prudential Overall Supply is the largest industrial laundry chain worldwide to earn TRSA *Clean Green Certification*. This certification gives Prudential's customers third-party verification that the uniforms, floor mats, towels, mops and other reusable textiles that they get from Prudential are laundered in an environmentally-friendly manner.

A National Cooperative Contract Also!
