

March 9, 2018

Hello fellow ASN Members,

Prudential Overall Supply has some exciting news to share with all ASN members who would like to participate. Prudential has secured the City of Tucson/National IPA cooperative purchasing agreement.

This cooperative Agreement is now available for any public agency or non-profit organization that is a National IPA member to piggyback onto this Agreement without going out to bid. This is available for any new business customers AND any current customers that would like to renew under this Agreement.

We will be offering two training dates for ASN members to introduce the National IPA program and the sponsoring agency (City of Tucson) Agreement details. We hope after the training session, each member will be eager to promote and utilize this Agreement.

National IPA Training Dates via Conference Call:

Friday, March 23rd at 11:00 am PT (2:00 pm ET)

Friday, April 6th at 11:00 am PT (2:00 pm ET)

Please email Linda Schneider your preferred training participation date, and she will send you and your listed email address attendees the call link.

Thank you!

Prudential Overall Supply
